

## Education

### Fudan University, Shanghai, China

Sep 2018 - present

GPA(overall) : 2.98/4.0, Ranking : 22/32

my each semester's GPA is promoted steadily from 2.4 in the first semester to 3.3 now

### Bachelor of Science in Information Security(Expected in 07.2022)

Core Course :

Data Structure , Introduction to the Computer System , Operating System , Network Security ,

Computer Network , Algorithm Design and Analysis

Can find more information from my blog : <https://jhl328.github.io/>

## Program experience

### The reservation system for the mask

Mar 2020 - May 2020

Advisor : Xiaochun Xiao(Professor of Computer Science department , Fudan University)

- The system is aimed at the reservation of the masks at the time of COVID-19
- It's basically the use of the multi-thread project for the Computer Science

### The statistic of word frequency for specific movie

Oct 2020 - Nov 2020

Advisor : Jianping Zeng(Professor of Computer Science department , Fudan University)

- use some python tools to find people's interesting point for a specific movie with some data tech

## Research experience

### The overview of CNN in copy-move forgery in digital images research assistant

Apr 2021 - Present

Advisor : Sheng Li(Professor of Computer Science department , Fudan University)

With the CNN widely used in image detection and some other fields , we aimed at investigate and research of the use in copy-move forgery in digital images.

### The evaluation of the importance of roads based on the graph neural network research assistant

Apr 2021 - present

Advisor : Dingding Han(Professor of Information science and technology , FuDan University)

- it's mainly a use of the Graph Neural Network to handle the graph data structure

## Leadership and Activity

### Volunteering

Dec 2019 - Dec 2019

Run for Fun Activity , Fudan University

## Volunteering

Dec 2019 - Dec 2019

Candy delivery activity , Student union of Youth League Committee  
, Fudan University

## Text section

---

skills : Python , C , Java

Language : Chinese (native) , English(fluent)

Interest : Basketball, Tennis, Table Tennis, Photography and Travel
